

OUR ACCREDITATIONS

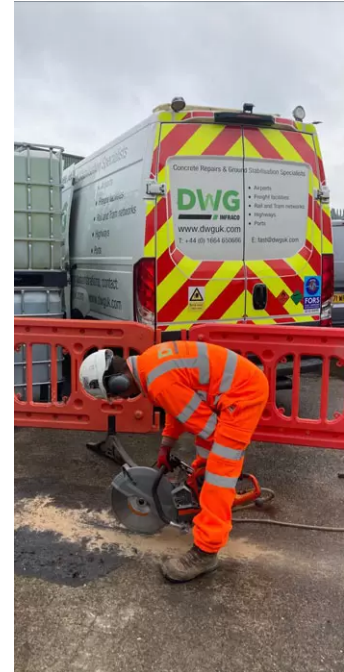

ACCREDITATIONS

DWG Infracore has worked tirelessly to ensure it has an unrivalled reputation for health and safety, customer service, quality and training. This is backed up by our impressive range of accreditations that enables access to work on some of the UK's most critical infrastructure.

- > ISO9001
- > ISO14001
- > ISO45001
- > Constructionline Gold
- > CHAS
- > Safe Contractor
- > RISQS

The above accreditations mean we comply with both PAS91 and SSIP.

All members of our skilled workforce hold the appropriate personal certifications and are part of a continuous training program to ensure we can deliver any solution on time, effectively and safely.
